The Learners of Tailor-ED

Tailor-ED is dedicated to supporting the variability of all learners in the classroom and is used to support students for Math K-8th grade and ELA 3rd-8th grade.

**High Proficiency Learners:**
Demonstrate high levels of aptitude and competence.

**Low Proficiency Learners:**
Struggle to demonstrate understanding, application, and competence in the topic.

**Low Confidence Learners:**
Tend to have a negative view of their abilities which interferes with the ability to succeed.

**High Confidence Learners:**
Have a strong interest in the topics and desire to accomplish their goals.

**Low Social Aptitude Learners:**
Struggle to establish and maintain high-quality relationships which inhibit their ability to reach their potential.

**High Social Aptitude Learners:**
Demonstrate high social competencies and are at ease in a social environment.

**Low Motivation Learners:**
Struggle with the desire to learn and may lack interest in the topics.

**Low Focus Learners:**
Struggle to focus and are easily distracted which interferes with their ability to succeed.

These are just a few examples of the types of learners that Tailor-ED supports. For every school and teacher we partner with we will ensure that each of their learners are supported within Tailor-ED.
